Pastor Moses:

I am delighted to know that Operation Renewed Hope (USA) is partnering with Siloam Zion Gospel Fellowship to conduct medical camps in Bhadravathi during Nov 29 to Dec 02, 2011.

I whole-heartedly welcome Operation Renewed Hope to my constituency. I personally will be available for the duration of the medical camps and do all the needful to see the people of Bhadravathi benefit from these camps.

I, hereby, extend my complete support to your organization and Operation Renewed Hope's Endeavour to reach the poor and needy. Please do not hesitate to contact for any assistance that you may need of me.

With warm Regards,

Yours truly,
