TO WHOM IT MAY CONCERN

This is to authorize a Religious Non-Governmental Organization – Operational Renewal Hope to conduct services of one day Medical Dental and Optometric Clinics in Masaka, Rakai and Kanungu Districts. They will be in the country twice in 2010 in the months of March and May/June.

The Clinics shall be conducted by licensed Physicians, Dentists, Optometrists and Nurses who will provide the Ministry of Health with certified copies of individual licenses prior to these Clinics being conducted.

All Clinics will be free to the Public and there are no pre-conditions to receiving medical treatment.

Any assistance accorded to them will highly be appreciated.
